

Helensburgh Rugby Club

Member Match Sponsorship

Supporting your local sports club means more than standing on the touchline encouraging your team to do well. By becoming a member you cement that support via subscription fees. Your committee appreciates your continued membership of Helensburgh Rugby Club.

Our only source of income is through member subscription, fundraising, coupled and various sponsorships from both individuals and local business.

Without it we, quite simply, would not be able to operate at the levels we currently enjoy. Over the past seasons several Helensburgh Members have very kindly donated match day sponsorship to assist with the weekly running costs of our club.

This has been in the form of match ball, player post-match food and refreshments sponsorship. Given that funding from Scottish Rugby Union has all but disappeared, your current committee would wish that support of the club in this manner might continue.

Running three teams, playing in all areas of Scotland, places a serious financial strain on the club "coffers" through travel costs. Perhaps you may consider "sponsoring a bus", or helping to defray this outlay in some way. Our Under 18 squad, for example, whilst other teams may be able to use cars to closer fixtures the youngsters cannot. They depend on organised transport to travel to away games.

Therefore you may wish to increase your level of support for rugby in Helensburgh by an additional personal sponsorship donation. If you are a taxpayer, the club may benefit even more via the Gift Aid scheme.

Below is a Personal Sponsorship Form, please consider this request to further support your club by completing and return this form to:

J Allan Carrick, 80 John Street, Helensburgh G84 9JZ.

Thank you.

.....

MEMBERSHIP SPONSORSHIP FORM		
SPONSORSHIP	Suggested Cost	Donation
